

Directions to Paul David's Office

Located on Queen Anne Hill at 820 West Howe Street, Seattle, WA 98119
206-240-3162

The directions to my office depend on whether or not you are approaching Queen Anne Hill from the east or from the west side of Seattle. If you are approaching Queen Anne from the east via such streets as Mercer or other major thoroughfares, it is generally best to access Queen Anne on Aurora. If you are approaching Queen Anne from the west via Elliott Avenue or other major thoroughfares, it is generally best to access Queen Anne on 15th Avenue West.

Going North on Aurora

- Go north on Aurora until you approach the south end of the Aurora Bridge where Canlis Restaurant is located.
- Take the so-called "U-Turn Route" to Queen Anne by taking a right turn on Halladay Street and then a quick left on 6th Ave North.
- Follow 6th Ave. North under the Aurora Bridge and go up the hill to the stop sign.
- At this five way stop, take a soft right onto Queen Anne Drive. As you drive west (the office is located about 2 miles west of this point), the arterial of Queen Ann Drive takes several turns and becomes 1st Ave. North and then becomes West Smith Street.
- As you proceed in westerly direction on West Smith Street, this same arterial twists and turns into West McGraw Place. At approximately ½ of a mile from the five-way stop off of Aurora, you will come to a stop sign at the corner of West McGraw Place and West McGraw Street.
- Take a right turn onto West McGraw Street and proceed for another ½ of a mile until you arrive at the cross streets of West McGraw and 8th Ave. West.
- Take a left turn on 8th Ave. West and proceed south for two blocks to the cross streets of 8th Ave. West and West Howe.
- Take a right turn on West Howe Street. My office is located on the south side of a large red house with cream trim at the end of the block. There is usually ample parking on 9th Ave. West.

Going South on Aurora

- Go south on Aurora and cross the Aurora Bridge.
- Take the first right at the south end of the Aurora Bridge onto Queen Anne Ave Drive.
- Follow Queen Anne Ave Drive up the hill to the stop sign.
- At this five way stop, continue to proceed straight ahead on Queen Anne Drive. As you drive west (the office is located about 2 miles west of this point), the arterial of Queen Ann Drive becomes 1st Ave. North and then turns into West Smith Street.
- As you proceed in westerly direction on West Smith Street, this same arterial twists and turns into West McGraw Place. At approximately ½ of a mile from the five-way stop off of Aurora, you will come to a stop sign at the corner of West McGraw Place and West McGraw Street.
- Take a right turn onto West McGraw Street and proceed for another ½ of a mile until you arrive at the cross streets of West McGraw and 8th Ave. West.
- Take a left turn on 8th Ave. West and proceed south for two blocks to the cross streets of 8th Ave. West and West Howe.
- Take a right turn on West Howe Street. My office is located on the south side of a large red house with cream trim at the end of the block. There is usually ample parking on 9th Ave. West.

Going South on 15th Avenue West

- Access 15th Avenue West via such thoroughfares as 15th Avenue N.W. and the Ballard Bridge.
- Proceed south on 15th Avenue West.
- At the traffic light at the entrance to the InterBay Golf course, turn left on Gilman Dr. West.
- Gilman Dr. eventually turns into 11th Avenue West.
- At the stop sign at the top of the hill, turn left onto West Howe Street.
- Go two blocks east on West Howe St. to 9th Avenue West. The building is located on the northeast corner of 9th Avenue West and West Howe Streets.
- My office is located on the south side of a large red house with cream trim. There is usually ample parking on 9th Avenue West.

Going North on 15th Avenue West

- Proceed (usually from downtown via Denny) north on Western Avenue.
- Western Ave. turns into Elliott Ave. which turns into 15th Avenue West.
- Proceed north on 15th Avenue West.
- At the traffic light at the entrance to the InterBay Golf course, turn right on Gilman Dr. West.
- Gilman Dr. eventually turns into 11th Avenue West.
- At the stop sign at the top of the hill, turn left onto West Howe St.
- Go two blocks east on West Howe St. to 9th Avenue West. The building is located on the northeast corner of 9th Avenue West and West Howe Streets.
- My office is located on the south side of a large red house with cream trim. There is usually ample parking on 9th Avenue West.

Entering the Office

When you go up to the office door, you will need to push a four digit combination on the key pad above the door handle. Please call me to obtain this key code. After you enter this combination, you will hear the door unlock and see a green light flash. Then pull down the handle, open the door, and go into the waiting room in the hall way. If for some reason you can't get into the building, just ring the door bell and I will let you in.
